

Nomination for the KACA Officer Positions (2025-2027)

Dear KACA Members,

We are excited to call for the nomination of the officer positions for the upcoming term of 2025-2027. The Korean American Communication Association (KACA) values your participation and voice in shaping the future of our organization. Your input is invaluable and plays a key role in shaping the future of KACA!

Please note that while nominations are an important step, they do not automatically guarantee candidacy. The election committee will reach out to each nominee, and candidates will only officially be considered if they accept the nomination and successfully pass the minimum reference check.

A few important reminders:

- The job descriptions for each position can be found in Section 5.0 (Officers of the Association) in the KACA Bylaws on our website: [KACA Bylaws \(click here\)](#).
- You are welcome to nominate as many candidates as you wish.
- If you have specific candidates in mind for certain positions, feel free to leave other nomination sections blank.
- Self-nominations are highly encouraged.
- You may submit the survey multiple times, so there is no need to complete all nominations in one sitting.
- Nomination will be accepted **until April 30th**.
